

# M.Sc. in Applied Finance

Your pathway to a stellar  
career in finance

## Pave the way for a thriving career in finance

The M.Sc. in Applied Finance program provides learners with comprehensive knowledge of financial principles and operations. The curriculum positions finance executives for a 360-degree growth and enables them to take-up challenging roles in their preferred domain. Moreover, the flexible examination system and carefully planned program structure allow for a healthy work, life and study balance.

## Key Program Outcomes

Minimum 50% marks at Graduation level

or

If less than 50% marks at Graduation Level, with work experience of minimum 2 years

## Fee Structure

Particulars	Application Fee	Program Fee Lumpsum (OR)	Annual First Year	Annual Second Year	Exam Fee
Amount	Rs. 1200/-	Rs. 180000/-	Rs. 99000/-	Rs. 99000/-	Rs. 600/- per subject, per attempt

Note: An initial amount of Rs. 5,000/- from the program fee will be collected at the time of registration.

## Admission Process

### 1. Application

- Fill up the registration form via the NGASCE website, [Executive.nmims.edu/applied-finance](http://Executive.nmims.edu/applied-finance)
- Once the form is submitted, you will be given a registration number.
- Pay the registration fee or the program fee.

### 2. Documents

- Submit all the mandatory documents (self-attested) to your AEP and carry the original documents for verification when visiting AEP for submitting documents.
- AEP will check, verify, stamp, sign, scan and upload the documents for verification.
- The university will check and either approve or reject the documents.

### 3. Payment

- Two modes of payment are available; digital and demand draft.
- If the payment is made via demand draft, submit the demand draft to the AEP. It will feed the DD details in the system, deposit the DD in the bank and scan and upload the deposit slip in the system.

### 4. Confirmation

- Admission will be confirmed only if the required documents are approved, the complete payment is made, and the email id and the mobile number are verified.
- Student number will be generated and a welcome letter will be sent via email.
